

The lie NASA told

Bell Com/ NASA Insider:

'It is not we lied about certain things, we lied about everything.'

Some peoples mind are trapped by a dogma of religion. Others are trapped by a dogma of science. These are all one group owned by the same people. They have rewritten your history and given you a false timeline and this is done within the last 100 years. By removing the coven law that govern names they were able to stretch your timeline by using the same images of the same people.

What happed in Babylon wasn't a mystery, it was simply removed by renaming Hiercliphs and altering the definition of words. They altered your your concept of what the word meant. They altered your concept of what Heaven, God and other words are and then gave you religion to discredit all of it..

Removed Esoteric Law: "Nothing of the old may go forward. In each New World, you are given a new name".

In Babylon they were called “Ilu/ Illi & Illumi”

Origin of “COVEN Illuminati. Listed as both “Alien”and “Demonic”

I believe if Kennedy lived, he would have warned us about what the Royals and the Priesthood had done. He caught the Rothschild companies store system and then he caught on the Bilderberg. He then demanded from NASA an answer to who the Greys were and why they were here and that is why they killed him.

For a full detail of the history, at a slower pace and better image quality , look for the corresponding video "*Mystery Babylon No More*".

The trick of the altered timeline is to make you think that this was thousands of years ago. It was not.

Marduke Sun of Ea

It was taught that Marduke “RA” became called “Alexander Helios”That he created the first incorporated COVENS and Vatican, which allowed the Priest Kings to gain “Silent Consent”of their followers for ritual sacrifice of Mankind (“*Sacrifice of the Mass*”). His Hebrew COVEN name was “AZAZEL” and his first COVEN WICCA called him the “Horned God”.

The “**Ancient Blessing Hand of Azazel**”was the origen of the two finger hand blessing sign.

Ancient Blessing Hand of Azazel

The snake around the weddingfinger, signifies the marriage of Hugga (*Nagga*) snake with Mans DNA, to create a vehicle with reptile brain inserted that makes a compatible nervoussystem with both reptile and man. This allows either Man or Reptile to operate the vehicle, but both appear as Man. On his thumb, is the Arc of COVEN Ant

the Arc of COVEN Ant which you find in the inner garden of the Vatican

We were taught in school that **Alexander** was experimenting on mankind and **the father of the Branch of Man** said , he had no right to do this and this launched a war for mankind.

UR drove the father of the Branch of Man out through the East Gate and **Lilith** who gained control of the system key(**the Ankh**) , locked us in and him out. The keys were used to capture life and bring it back through the gate, while the ankh was used to put them back under the veil and erase their memory..

They pulled the Earth through their Eye into their territory, called the **Abyss** (Hell). It is the war between **SATAN** and **GOD**.

HEAVEN is defined as Man's place of origin. It is a separate area of Positive Space, with Laurel Worlds. "Evil" is not allowed to go through the East Gate.

Lilith put a firewall up, in front of the Black Sun to mask it from our view. Otherwise

we find out we are in the Abyss (Hell). This is the yellow sun we see.

When Earth FELL in battle , we were pulled through the eye to an area that sits below "Heaven". We are "Fallen". This area is the Abyss which is their territory. This is why the Branches of SET make all the laws for this area of space.

As the war continued, AN and the others continued to capture mankind by use of the Kiest and insert them into this area.

From Sumerian Law passed to the Hebrew, it , it was the custom of the COVEN to be a DIERCHY.

By Law of the Seed, the Priest and the Priesstess were bloodrelated and must be the bloodline of the founding family that made the bloodpact with the families of SET and created the COVEN.

The BA EL were responsible as overseers of the Harvest of Children from the Human slave population, as a food source for the Moloch Race of Lilith. Another name for them is "Jersey Devil".

While stripping man of their 12 strand DNA and reducing Hu-Man size, they were also using that 12 strand DNA to create reptiles with more manlike appearance.

"Amorites" who were "Tall as Cedars" and "Strong as Oaks" were also called by the names "Huga", "Nuwa" and "Nagga".

The reptile Brain is the known behavior source of all ritual, hierarchy, selfishness and baser instincts.

The Reptile Brain is known as the source of all socopatic behavior. The medical definition is "*Someone who is neurologically hardwired to the Reptile Brain*".

MIRROR

A "spirit" is a Living Being, with an incorruptible Body, which is its Vehicle. It is as solid as the world around it.. In example, one spirit can touch another spirit.

You are a "Mirror" of your spirit, which is your double.

You were created for the spirit to be able to operate within the creation, which is in a different Domain (*environment*) from the spirit's point of origin..

You are currently within the domain of "Matter".

There are other domains.

All DNA and Personality traits are taken from the double, to create the mirror.

The mirror of mankind, has a soul.

"You"are the soul.

The more experience you gain, the deeper your capacity to **LOVE** grows.

This is called "**Spiritual Fat**" and it is the prize that is sought.

The spirit is the Life Force, that animates all living things within the Domes
(*Domains*)

Every Living "Thing", has its own mirror here.

With out a spirit, the "mirror"has no life force.

When the spirit leaves this domain, the soul inside the exterior visible mirror is
"pulled"by the spirit and goes with it..

It is "**Akims Razor**".

A loss of a mirror, is a loss to that spirit.

Part of its personality and DNA, its own consciousness, is within that mirror.

"Spirit"which are Living Beings with a certain pysihicality, can be "captured".

And mirrors can be "Hijacked".

DEMONS: most were dispossessed of a vehicle as punishment which rendered them parasitic. Their goal is to acquire a "host"body. They are high level predators, whose intent to kill others, never change. They enjoy torture and murder. They are without conscience or remorse for their victims. They are pure sociopath, skilled actors and liars.

It is impossible for a demon of the Abyss to change polarity and become "good".

They were called snake worship because they from the Branch of SET whom
Sumerian called AN and the Hebrew and Muslim called Salomon.

And every single COVEN from Buddha to Christ, the follower becomes a corporated,
which gives silent consent for them to seal you at the time of division of the families.

If you gave THEM your owth, they were allowed to to seal you.

NEPHELEHIM is not the name of a race , it means reanimated body.

AN placed the Nephilheim over the populatons of conquered mankind and created
"**The Priesthood**"

Tribes of ISRAEL

The people called "Hebrew" are a separate people, from the heads of the tribes of ISRAEL.

"RA" Marduke (Mars "Azazel" is the grandson of AN.

Torah really means "to RA".

There is a net put around us to hold us captive.

It is part of the SMITH-program (*look how The Matrix movie is close to the truth*)

It creates the holographic sky with the effect of an electron field surrounding the earth. At the end of a circle the earth is able to fly independent so people can make their choice.

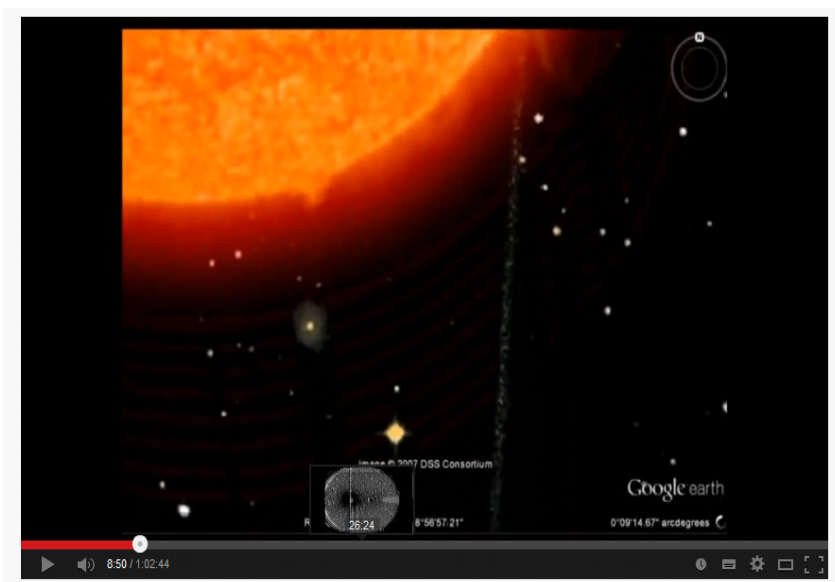

The Sun is a transformer, a gateway to other Dimensions= Converter

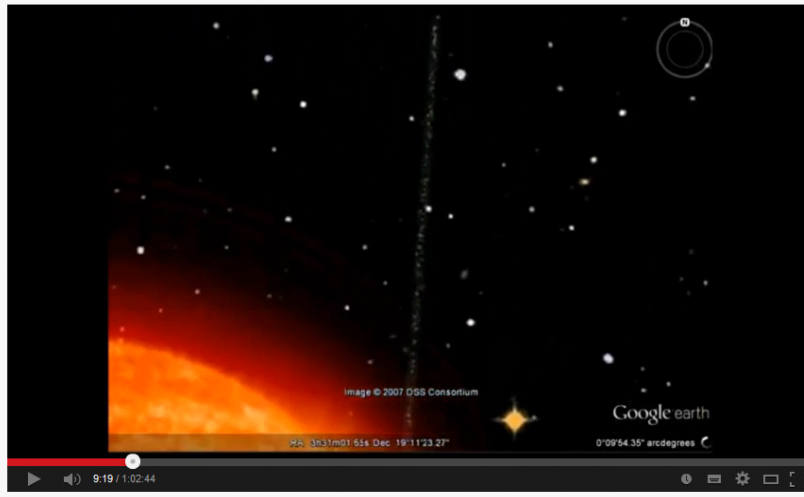

In free space SUN is not visible

There are no lightyears since there is no light.

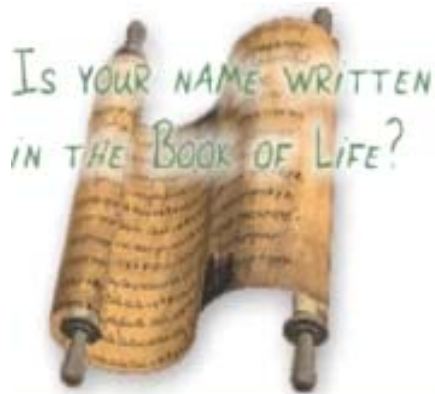

NASA SOHO images have been capturing countless UFO's by the Sun. Google Earth sky view is now showing another anomaly by the Sun. What appear to be giant cables running from the sun to other areas in space. Could the two be related?

Are these cables being used to harvest energy from the Sun? Are they navigational aids? What is going on around our Sun?

The **Book of Life** is a record that is used to recall all of the Family Members, when it is time to return to their Arcs.

If your name is not on the list, then you are not returning to that Arc.

At the end of the Cicle, all the families return to gather their children back to their own Arc's and then move forward, according to the plan of the Father of their Branch. To do this they take the individual and then place the seal on their foreheads. Internally this seals and labels the individual as their family member . Most are not aware of this is ever done , because it is done before the veil lifts.

When the "CALL" is given, all of the people are transferred to their own Family's Arc.

Those who are GOOD , go through the East Gate.

Those who are EVIL, go through the West Gate.

GOD

He is the ALPHA and OMEGA > the first and the last.

Every branch has a Father, but the specific Father of the Branc of Man is called “The One”

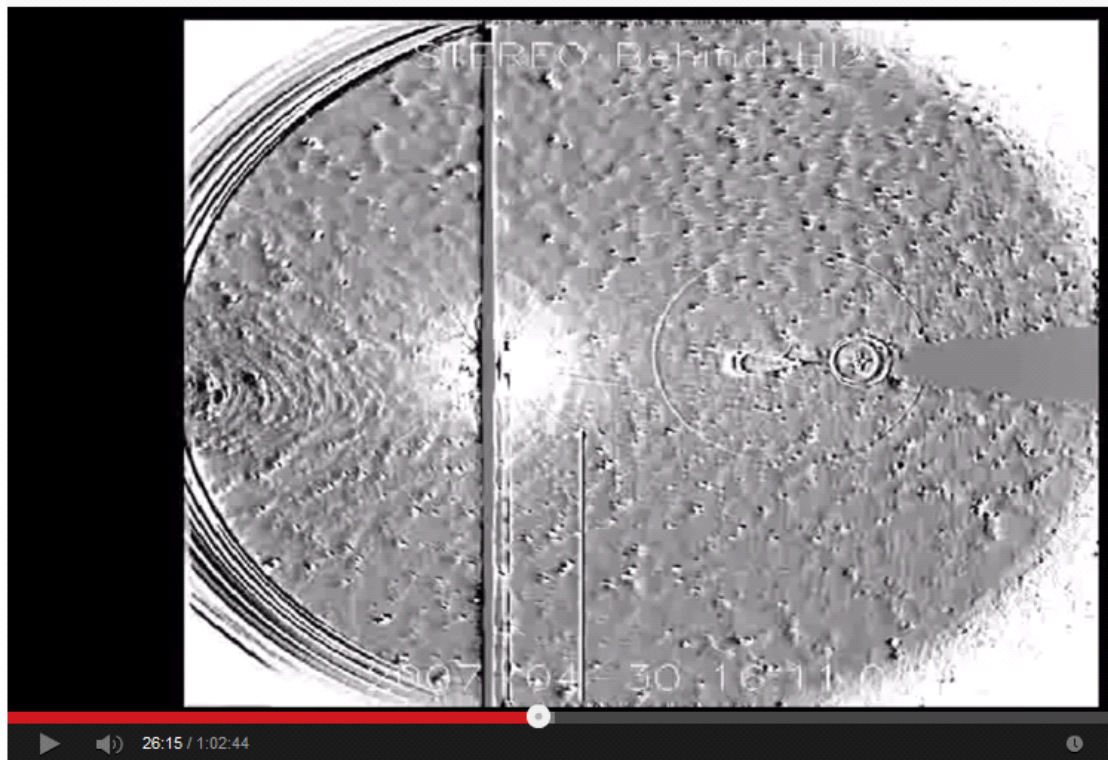

He assumes the form of a man so that he can interact with his children, Mankind.

He has come to retrieve those that have choosen him.

GOD, the father of our Branch, never gorgot about us and is now coming to collect us.

He is coming to kill AN and his NWO.

This started in **2007**.

The Allied forces, the army of GOD, used a strong energy weapon called Parachute weapon. It has a type of "star"bomb connected .

Uranus was the first one defeated in January 9th 2008 when he it was trying to stop the

attack.

It was completely annihilated.

By April 15th 2008, the Allied Forces had caught up to Neptune, who ran up when Ur was destroyed.

When the rest of the planet here, who had no idea what was going on, **Elisabeth, the Vatican, Freemasons, the Illuminati** had direct contact with **the 7 System Lords** (*demons*).

In the meanwhile Allies continued to "**destroy the Kuiper Belt**" (*Alien Planet's*) Banksters were openly stealing the homesteads which is punishable by the death penalty by Universal Law.

All humanity was offered by Elisabeth as a foodsource to the 7 System Lords.

Everybody who came to a Bilderberg meet, became implanted.

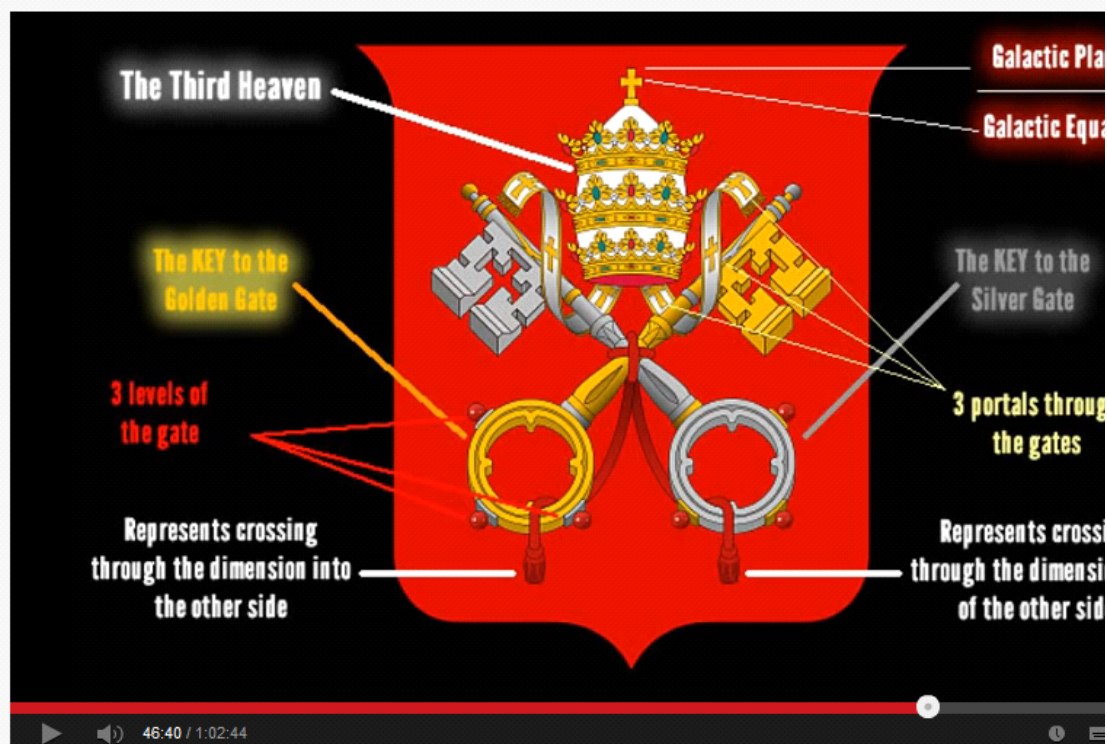

They used people as slaves and to steal their money to build ships to fight GOD and the Allied Forces.

Whistleblower from NASA and NSA, Dr. Eric Norton, who worked as an outside consultant to protect the earth against meteorites. He saw how a huge fleet was approaching earth January 2013

Allied Forces hit Mercury on Dec. 24th 2013 and the "Cabal" went in full panic mode.

The Allied forces defeated all the Alien bases on the planets and here on Earth.

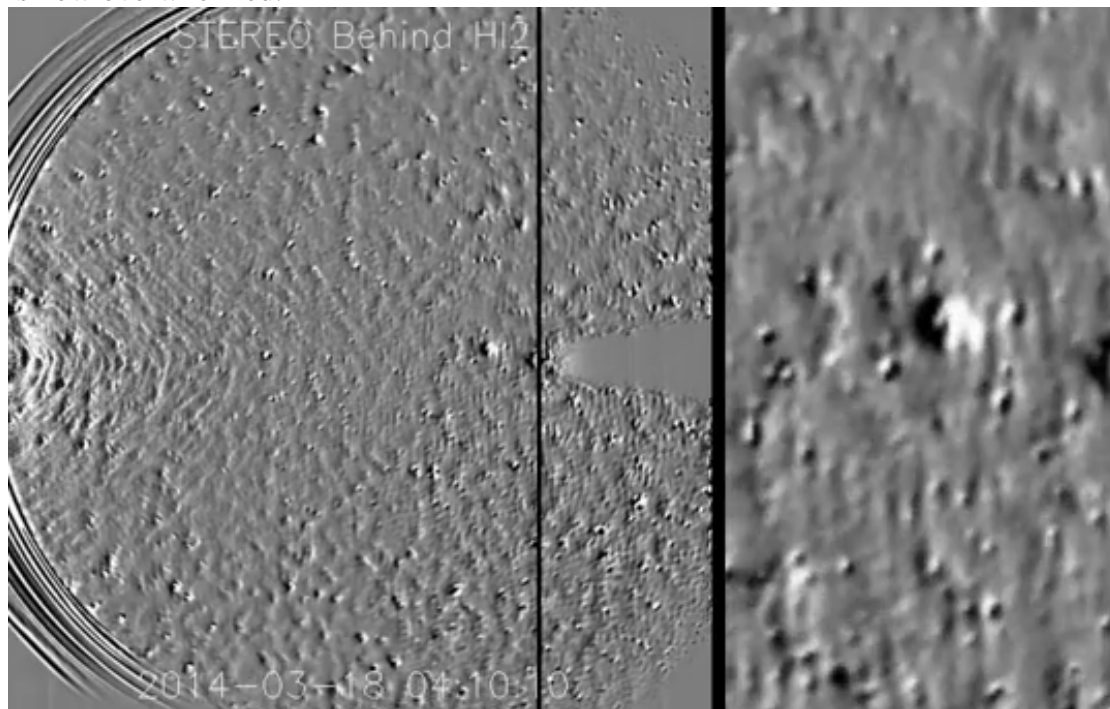

In February 2014 the PAPAL Gate symbol was destroyed which means there is no way out to escape left for the Cabal.

Papal Gate

Saturn, Jupiter , Mars and Venus were captured in March 2014.

HAARP which was used to sabotage the move of the people moving back to the East, is now overwhelmed.

Jupiter destroyed

**By March 21st 2014 all ennemies were conquered.
GOD won.**

This is what Earth looks like of her pole.

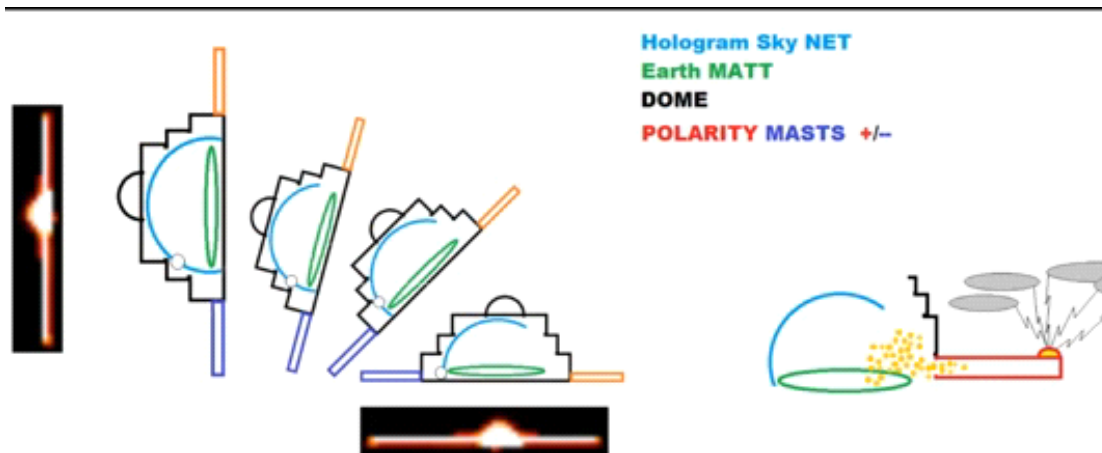

The Earth will be put in balance to bring back the light.

The vertical position was used to create day and night.

The Allies are parked above us, they are not invading Aliens, Niburu is not going to cross, you are not going to die.

They are moving us out of the Abyss. The first thing they will do is rotate Earth to the horizontal position for the purpose of light..

All electricity worldwide will be cut of in the early morning hours.
 All life that is GOOD will be given the call.
 This unplugs them so they wake up and stand up out of their body.
 This is when the veil lifts and all memory returns.
 The dome is lifting and the artificial skies are disappearing.
 Everybody is racing for the doorway from here you are transferred to the ARCS.
 The seal which is your choice depends on what Arch you go to.
 The people can be evacuated from Earth in 10 minutes.
 Then it will be veiled again to deal with the rest , which are evil.
 Everything which is negative will be drown to the pot which will be sealed not to
 open ever again.

All people move through the East Gate to a beautiful universe with green and blue
 water planets and be reunited with their family and **THE 5th BOOK of LIFE** starts.
 The ONE says that he is going to do "**something new**", something we have never
 seen before. Because of our hardship here we have earned some FUN TIME.
