Aleister Crowley's drawing of "Lam" a demon that he claimed to summon. The drawing is similar to what we now call "alien" greys.

(Famous Occultist) Called himself "The Beast 666"

@omar\_rejoice

The "aliens" that you may believe exist are actually inter-dimensional demonic spirits.

"The Nephilim were on the earth in those days—and also afterward—when the sons of God went to the daughters of humans and had children by them. They were the heroes of old, men of renown." Genesis 6:4

**REVELATIONS 16:13**  
 Then I saw three EVIL spirits that looked like FROGS: they came out of the mouth of the dragon, out of the mouth of the beast and out of the mouth of the false prophet. They are spirits of DEMONS performing MIRACULOUS SIGNS, and they go out to the kings of the whole world, to gather them for the battle on the great day of God Almighty. Then they gathered the kings together to the place in Hebrew is called ARMAGEDDON.

**Joe Jordan – Former Atheist and now Christian!**  
 He has over 400 documented cases where the name of Jesus caused all alien abductions to stop immediately! This is the most powerful evidence ever assembled and is NOT going to be shown at the UFO conferences, TV or movies!

The firmament in Hebrew is Raqia means a solid expanse beaten out. It is the curved dome of the sky, especially if you imagine it as a solid surface. ... The word firmament comes from the Latin firmus, or "firm," and this description of the sky as something solid.

A traveller puts his head under the edge of the firmament in the original (1888) printing of the Flammarion engraving.

The **Flammarion engraving** is a wood engraving by an unknown artist, so named because its first documented appearance is in Camille Flammarion's 1888 book *L'atmosphère: météorologie populaire* ("The Atmosphere: Popular Meteorology").<sup>[1]</sup> The engraving has often, but erroneously, been referred to as a woodcut. It has been used to represent a supposedly medieval cosmology, including a flat earth bounded by a solid and opaque sky, or firmament, and also as a metaphorical illustration of either the scientific or the mystical quests for knowledge.

## ^ Description

The engraving depicts a man, clothed in a long robe and carrying a staff, who kneels down and passes his head, shoulders, and right arm through a gap between the star-studded sky and the earth, discovering a marvellous realm of circling clouds, fires and suns beyond the heavens. One of the elements of the cosmic machinery bears a strong resemblance to traditional pictorial representations of the "wheel in the middle of a wheel" described in the visions of the Hebrew prophet Ezekiel. The caption that accompanies the engraving in Flammarion's book reads:

A missionary of the Middle Ages tells that he had found the point where the sky and the Earth touch...<sup>[1]</sup>

And Moses went up from the plain of Moab to Mount Nebo, to the top of which is opposite Jericho. And the Lord showed him all the land of Gilead, as far as Zorah, and all Naphtali; the Manasseh, all the Western Sea, the valley of Jericho, as far as Zo'ar. "This is the land which I swore to Abraham, to Isaac, and to Jacob, saying, I will give it to you. And now I have shown it to you. And you shall die there." So Moses died there, as the Lord commanded. And he was buried in a valley in the land of Moab, which is opposite Beth-peor. His burial place was unknown to the Israelites.

21 Have you not known? Have you not heard? Have you not been told from the beginning? Have you not understood from the foundations of the<sup>785</sup> earth like grasshoppers. He is the one who dwells above the disk of the earth, whose inhabitants are like grasshoppers. He is the one who stretches the skies like a curtain and spreads them out like a tent to dwell in, 23 who brings princes to nothing, who makes the judges of the earth like a void. 24 Scarcely are they planted, scarcely are they sown, scarcely *have*<sup>786</sup> their stalk taken root in the earth, and<sup>787</sup> then he *blows*<sup>788</sup> on them and they wither, and the whirlwind carries them away like stubble.

25 *To*<sup>789</sup> whom will *you*<sup>790</sup> compare me that I should be similar? says the Holy One. 26 Raise your eyes heavenward and see: Who has created these? He who draws out their host by number, who calls them all by name, by his great might and *his*<sup>791</sup> powerful strength, and<sup>792</sup> not one is missing. 27 Why do you say, Jacob and claim, Israel, "My way is ignored by the LORD, and my case is passed over."

In fact, the oldest scriptures from the Bible we have go back to the Dead Sea scrolls which clearly translated in English say the earth is a DISK:

Heliocentricity is NO WHERE in the Bible:

The Earth is clearly FLAT:

And the Bible Clearly supports this fact and attests to it. Flat Earth,  
among other Apologetics prove the authenticity of the Bible:

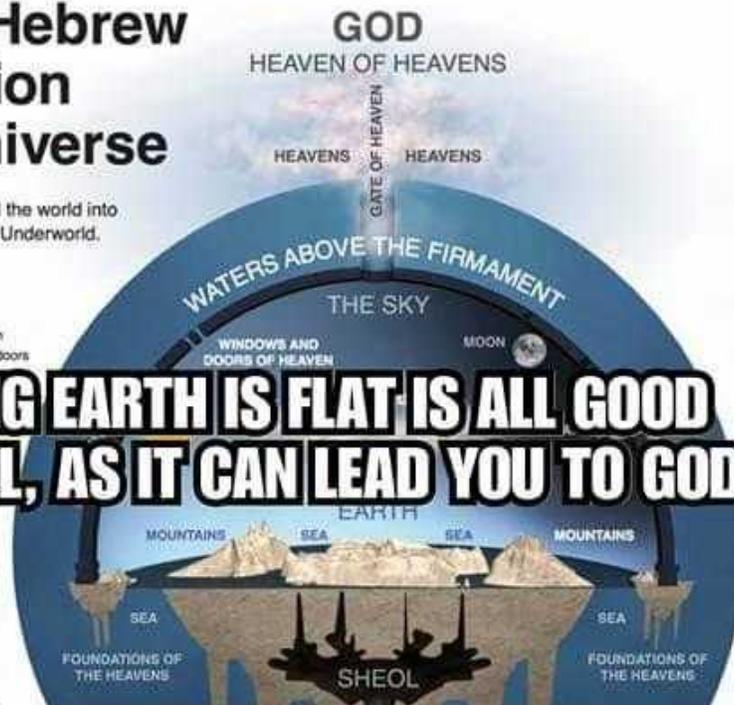

# Ancient Hebrew Conception of the Universe

The ancient Israelites divided the world into Heaven, Earth, Sea, and the Underworld.

They viewed the sky as a vault resting on foundations—perhaps mountains—with doors and windows above.

The world was viewed as a disk floating on the waters, secured or moored by pillars. The earth was the only known domain—the realm beyond it was considered unknowable.

The Underworld (Sheol) was a watery or
