

Market place format

Client : hello is this available for sale?

Well hello yes of course it is still available

Client : is this a new or used product

It is absolutely a new product and In a perfect condition (send am more pictures of the product)

Client: okay what is the last price ?

Sir/ma'am this is the best price I can give to you I already made a discount before posting cause out there it's quite expensive than what I'm selling to you right now but anyways I'd discount a lil bit more for you (commot \$15 or \$20 for am)

Client: Okay then how to I get my package to my door step?

Oh that won't be a problem at all I'd just need your city, your home address and your mobile number and your product would surely get to you that I promise you ▯

Client: okay then how do I make payment?

Well cash app, PayPal and Zelle whichever is comfortable for you it's okay (if you no get all this things then you go find vendor wey go give you tag )

Client : okay send me your PayPal or cash app or Zelle depending on the one wey dem choose then you send am for am asap

Client : sent payment slip

Alright yes your payment has been successfully confirmed sir/ma'am  
Your package would be sent out shortly ▯

After 15min message them

I'm so sorry for the inconvenience I forgot the tell you about the dispatch fee/waybill fee it cost just \$50 you could send it to same tag you sent earlier I'm so sorry for the delay you will get your product sir/ma'am

Client: I have to pay for the dispatch?

Yes sir/ma'am that is how it's done please try to understand ▯

Client: okay hold on

Okay

Client : sent payment slip I already sent the fee

Thanks so much sir/ma'am I will inform you as soon as I ship out your package ▯ ▯

Hoping for do more successful business with you again refer me to your friends and family ▯

From there you fit block am or do anything wey you wan do na you sabi lol
